Whether you're dreaming big or still figuring it out, this session helps map out possible futures that truly fit you. Get ready to connect the dots between what you love and where you can go.

## Dress for Success

Look the part and feel unstoppable! This workshop gives you the lowdown on putting together a look that makes you feel confident and ready for anything. From interviews to internships, learn what styles work best to make a lasting impression. Get wardrobe tips that help you dress to impress, whether you're meeting in person or online.

## Linked-In Center

LinkedIn is the largest business-oriented networking website geared specifically towards professionals. A professionally written LinkedIn profile allows you to create an online professional brand. LinkedIn gives you the ability to showcase your profile, expertise, recommendations, and connections. Let us help you start your profile.

## Mock Interviews

Practice your job interview skills and receive feedback from a professional. Mock interviews are an ideal way to practice for real job interviews because you are in a situation that mirrors an actual interview with a company. When you review your interview with the interviewer, you'll be able to modify your responses and interview behavior.

## Building Your Online Brand

Your online presence can be a powerful tool! Learn how to create a standout profile and showcase your skills, interests, and achievements in ways that grab attention. From social media to professional networking, this workshop shows you how to build a digital brand that shows off who you are and what you're all about.
